Re: Letter of Reference

Pye & Richards Architects Inc. as worked successfully with Morley Construction and Morley Hoppner Group on a number of projects over the years.

Our most recent completed project constructed by Morley Hoppner Group was Dilawri Chrysler car dealership on Hunt Club Road in Ottawa. The project was completed on time and within budget. Morley Hoppner provided strong management skills and good site representation on this project.

We would have no hesitation in recommending them to any client for future projects.

Yours truly,
